

After 26 years as the Buyers Trade Mission (BTM)—the largest business matchmaking event in the region—we have evolved into the Costa Rica Trade and Investment Summit. This event brings together buyers, investors, exporters, multinational companies, and suppliers all in one place.

During a full week of business activities, you will have the opportunity to explore Costa Rica's sustainable, diverse, and specialized export offerings. You can meet one-on-one with the country's top exporters and discover new business opportunities in the agricultural, food, specialized industry, and service sectors.
